On March 1, 1989, MCI Telecommunications Corporation filed a motion requesting the hearing be rescheduled. The Commission, having considered the motion and being sufficiently advised, finds that the motion should be granted. The hearing scheduled for April 18, 1989 is rescheduled to April 25, 1989, at 9:00 a.m., Eastern Daylight Time, in the Commission's offices, Frankfort, Kentucky. South Central Bell Telephone Company ("SCB") shall give notice of the hearing in accordance with the provisions of 807 KAR 5:011, Section 8(5).

On March 14, 1989, AT&T Communications of the South Central States, Inc. ("AT&T") filed a motion for an extension of time to file testimony. In support of its motion, AT&T states that it cannot adequately prepare testimony without responses to its data requests. The Commission, having considered the motion and being sufficiently advised, finds that the motion should be granted to the extent that AT&T's testimony should not be due until the Commission addresses its motion to compel SCB to respond to data requests.
